* Emerson's financial year ends on 30 September, so its quarters are offset from the calendar: Q1 = October–December, Q2 = January–March, Q3 = April–June, Q4 = July–September. Quarters are shown as Emerson labels them (e.g. Q1 2026 = October–December 2025). For half-year reporters Q2 = H1; FY 2025 = full-year results. Organic growth as each company defines it (Belimo: local currencies; Emerson: underlying; Pentair: core).
