Danfoss[2]	–	10.6% −90 bps	–	12.9% +40 bps	–	15.3% +350 bps	–	Operational EBITA margin

Notes: [1] Emerson's financial year ends on 30 September, so its quarters are offset from the calendar. Quarters are shown as Emerson labels them. [2] Danfoss is not listed on a stock exchange (owned by the Danfoss family and the Bitten & Mads Clausen Foundation), so it has no share price; it is included because it publishes audited financial results, half-year and full-year only.

Key messages: listed companies · Q1 2025

Executive summary of the main messages per company, in three clusters.

1. Overall performance

- **Aalberts**: revenue **778.3** EUR m (−3.9%), organic **−3.3%**, EBITA margin **13.6%** −60 bps. Building returned to growth (+1.7% organic) with margin +110 bps to 13.2%.
